

This diagram shows an exploded perspective view of a mechanical assembly. The main components are labeled with numbers: 11, 12, 13, 14, 15, 16, 17, 21, 22, 24, 25, 26, 31, 51, and 52. The assembly includes a central frame (13) with various structural members (14, 15, 16, 17, 21, 22, 24, 25, 26, 31, 51, 52) and a central shaft (12). The shaft is supported by bearings (11, 13, 14, 15, 16, 17, 21, 22, 24, 25, 26, 31, 51, 52). The assembly is shown in an exploded view, with components 18 and 19 shown separately at the top and bottom right, respectively. Component 18 is a bracket-like part, and component 19 is a small rectangular part. The diagram is a technical drawing of a mechanical assembly, likely a pump or motor component, showing various parts and their assembly relationship.
